

## Scharfenstein, Stuart T.

Lieutenant Commander

Class of 1948

Killed in aircraft ops on June 29th, 1961

LCDR Scharfenstein was on an instrument training mission in the H04S-3G helicopter out of Air Station Salem, MA when just 12 minutes after take-off his crew experienced a structural fatigue failure on a critical flight component. The helicopter crashed and burned, killing all three occupants.
