

Center for Advanced Studies Lunchtime Scholarship Seminar Series

You are cordially invited to the Center for Advanced Studies (CAS) Lunchtime Scholarship Seminar on Tuesday, February 3, 2015 at the Officers' Club. Come hear about the research and scholarship being done by your fellow faculty!

CDR Greg Hall, our Associate Dean, will be presenting “Dilbit and Bakken. The Characteristics of the Crudes driving the North American Energy Renaissance”, a discussion of the characteristics of these unconventional crude oils, and the truths and myths about them. This seminar will be presented at a level where all faculty and staff will be able to understand. Also find out about other upcoming CAS Lunchtime Scholarship Seminars.

A social time will begin at 1145; you can use this time to catch up with fellow faculty from across the campus. The presentation will commence around 1210 and will conclude in time for everyone to make their afternoon classes.

Lunch costs \$7 and can be paid at the door. Please RSVP by COB on Monday, January 26, 2015 to Dr. Karina Mrakovcich (karina.l.mrakovcich@uscga.edu).
