Description:

The U.S. Coast Guard Academy Marine Science Department invites applications for a Lecturer in Marine Science. The desired start date is August 10, 2026.

The U.S. Coast Guard Academy is a highly selective federal military college that provides a rigorous undergraduate program and is committed to building a talented faculty of teacher-scholars who collaborate to provide a multi-disciplinary and hands-on approach to learning and leadership development. We encourage qualified applicants

from all backgrounds to apply for consideration. The U.S. Coast Guard Academy is an Equal Opportunity Employer. Visit www.uscga.edu for more information.

This will be an appointment in the excepted service to a full-time position on the academic faculty for a period not to exceed August 21, 2027. Non-competitive extensions past the initial contract period may be made in accordance with government instructions if a vacancy exists. The first two years of appointment to federal service is a [trial period](#). The work schedule is full-time. This position is not eligible for telework and not eligible for remote work. All teaching is done in person. Relocation expenses are not authorized. Travel is not required.

Salary offers may be made outside of the listed range for exceptional candidates.

Duties and Responsibilities

The successful candidate will teach marine science courses and laboratories in Marine and Atmospheric Sciences, Oceanography, Marine Biology, or Geospatial Sciences. The teaching load will be 9-15 contact hours per semester during the school year. The selectee may also be required to supervise cadet directed studies projects in marine and environmental sciences fields and participate in leadership and professional development activities with students outside of class. Over the summer, the selectee will perform institutional assessment, course preparations for the following year, support evaluation of incoming students, and/or other duties as required.

Minimum Qualifications

1. Master's degree in Oceanography, Marine Science, Geospatial Sciences, Applied Sciences, Ocean/Environmental Engineering, or related degree.

Preferred Qualifications

1. Candidates should possess an ability to teach undergraduate courses in marine science, atmospheric sciences, oceanography, marine biology, geospatial sciences, and/or data visualization.
2. Should have previous experience teaching and mentoring undergraduate students.
3. Teamwork skills, the ability to demonstrate initiative, and the ability to be adaptable in the context of a student-centered institution are very desirable.
4. Interpersonal, teaching and effective written and oral communications skills are essential.
5. A record of scholarship and publication in related fields is desirable.

How to Apply:

Please submit the following:

1. Curriculum Vitae (Resume). Please submit this file using the file name "Last Name_CV."
2. A Letter of Application. Please submit this file using the file name "Last Name_Letter."
 - a. (a) providing a narrative description of how you meet the minimum degree and specialized experience qualifications, as well as the additional qualifications criteria specified in this vacancy announcement (note: qualifications will not be determined by information provided in this letter; rather, the CV must reflect the qualifications, and this letter provides a narrative description); and
 - b. (b) listing names, mailing addresses, email addresses, and telephone numbers of at least three professional references.
3. Finalists for the position will be required to provide proof of Education Requirement (Unofficial Transcripts). You may submit this now with your application, or, when directed by the search committee chair. If included with the application, please submit this file using the file name "Last Name_Transcripts."
 - a. Finalists will be required to provide evidence of your education by submitting legible copies of your unofficial degree transcripts from accredited colleges/universities. The transcript copies must reflect both your name and the college/university name and/or logo and must include the degree and date conferred. If tentatively selected for this position, you must submit official transcripts to the Human Resources office prior to receiving a firm offer of employment. Foreign education completed in foreign colleges or universities may be used to meet federal qualification requirements if you can show that your foreign education is comparable to education received in accredited institutions in the U.S. It is your responsibility to provide such evidence, e.g., an evaluation statement, with your application. Additional information is available on the Department of State site under evaluation of foreign degrees for a U.S. Government application, linked here: <https://www.state.gov/family-liaison-office/family-member-employment/family-member-employment-in-the-d-c-area/evaluation-of-foreign-degrees/>
4. Applicants who are ABD Ph.D. candidates not holding a Master's degree must include a letter with the application from the applicant's major professor attesting that the candidate will complete all requirements for the Ph.D. before 17 July 2026. ABD Ph.D. candidates holding a Master's degree in the requested discipline do not need to supply letters attesting to their Ph.D. status. Please submit this file using the file name "Last Name_ABD"
5. Applicants claiming Veterans' preference or if you are currently on active duty:

- a. Veterans claiming 5-point veterans' preference must submit legible Member 4 Copy DD214(s) indicating Character of Service.
- b. 30% Disabled Veterans must submit their Member 4 Copy DD-214(s), which includes Character of Service, a fully completed [SF-15](#), and VA Disability Letter with percentage of disability OR documentation of disability determination from a branch of the Armed Forces which reflects a compensable service-connected disability of 30% or more.
- c. Other 10-point Preference Eligibles must submit applicable Member 4 Copy DD-214(s), which includes Character of Service, a fully completed [SF-15](#), and all required documentation described on the back of the [SF-15](#) which proves that you are entitled to such preference.
- d. If you are a current active-duty military member who does not have a DD214 and are claiming preference under the Veterans Opportunity to Work (VOW) Act, you must submit certification from the Armed Forces indicating that you will be discharged or released under honorable conditions from active duty within 120 days from the date on the certification document. Certifications must be on letterhead from the appropriate military branch and include the following information: military dates of service and expected discharge or release date, character of service, military rank, type of discharge and date when terminal leave will begin. Certifications must be signed by, or by direction of military members' military personnel offices, unit commanders or higher headquarters. 5-point preference will not be granted if appropriate documentation is not submitted with your application.
- e. Veterans preference will not be granted if the appropriate documentation is not submitted with your application.

Finalists for the position will be required to submit documentation verifying the minimum requirements, including official transcripts. Applicants do not need to provide these by the priority cut-off date but should ensure they are ready to supply them when asked. Official transcripts are required to be submitted prior to receiving a firm offer of employment.

Please attach all documents and email them to:

CGA-EDU-SMB-FacultyApplications@uscga.edu

Priority consideration will be given to applications submitted in their entirety by 11:59 PM ET on the first cut-off date of the announcement.
