SECTION IV:

CATHOLIC WEDDINGS Requirements and Policies

1. INTRODUCTION:

Congratulations on your upcoming wedding. We look forward to assisting you with the myriad of details required for a Catholic Wedding in the U. S. Coast Guard Memorial Chapel.

For Catholic weddings, our Chapel operates canonically under the Archdiocese for the Military Services, U.S.A. and civilly within the jurisdiction of the City of New London, and the State of Connecticut. All canonical & civil requirements must be followed.

There are many forms and activities you will be required to complete prior to your wedding day. **All Catholic weddings must be scheduled 1 year in advance.** Following these requirements and policies is a list of forms and activities you will need to complete under the oversight of the Catholic Priest assigned to the U. S. Coast Guard Academy Chaplain's Office.

2. WHO MAY MARRY YOU:

You are encouraged to have a Catholic priest you know officiate at your wedding. This could be a priest who is a friend of the family, your home parish priest, or an Armed Forces Catholic Chaplain.

You may request an Academy Chaplain to perform your wedding. Navy Chaplains assigned to the Coast Guard Academy will function within the guidelines of their own religious denominations. No Chaplain will be required to provide ministry outside the boundaries of their religious practice, reasons of conscience or religious body restrictions. Each request is considered on a case-to-case basis. Confirmation of the Chapel does not guarantee an Academy Chaplain will be available or willing to perform your wedding.

If you use the Academy Catholic Chaplain, please remember that he cannot receive a stipend for his services. If you would like to make a donation, please contact the Chaplain's Office for information. If you have a guest priest performing your wedding, be sure to check what their policy is.

Only priests in good standing may officiate at weddings at the U. S. Coast Guard Academy Chapel.

Guest clergy officiating at the wedding should contact the Academy Catholic Chaplain for approval and coordination of ecclesiastical equipment.

3. DOCUMENTATION REQUIRED FOR YOUR WEDDING:

The following documentation must be submitted to the Chapel Wedding Coordinator (CWC) at least 2 months (60 days) prior to your wedding date. The Catholic Chaplain at the Coast

Guard Academy or your CWC will provide you with the Archdiocese for the Military Forms that you will need (denoted by a "*" next to the title). They can be completed in the presence of any priest with the consent of your priest officiate.

- a. **VERIFICATION OF PRE-MARITAL COUNSELING:**
All couples must attend a pre-marriage seminar or retreat. We encourage couples to take advantage of programs in the area where they are currently living. Information on programs such as Engaged Encounter, Pre-Cana or Pre-Marriage Seminars can be obtained from your local parish priest or Catholic Chaplain. Cadets need to contact the Catholic Chaplain for information regarding this aspect of their marriage preparation.
- b. **PRE-NUPTIAL QUESTIONNAIRE*:**
Both the prospective Bride and Groom must each complete the Archdiocesan Pre-Nuptial Questionnaire. Your local priest or Catholic Chaplain will interview you and complete this form. This should be done at least 2 months prior to the wedding date. This questionnaire:
 1. Requests basic personal background information (date of birth, parents' names, baptismal, first communion, confirmation information).
 2. States the Church's understanding of the Sacrament of Marriage and
 3. Confirms that you are free to marry.
- c. **WITNESS CONCERNING FREEDOM TO MARRY*:**
The Witness Concerning Freedom to Marry form must be completed for both the Bride and Groom by TWO people who have known each of you for most of your life (2 for the bride and 2 for the groom). Parents usually complete this form. If parents are not available, it can be a sibling, relative or close friend. This form must be filled out and witnessed by a local priest/chaplain or, in the case of a non-Catholic, by a minister or notary public.
 1. This form states that you have not been previously married,
 2. Entering into the marriage of your own free will,
 3. If there is any reason you shouldn't marry
 4. Provides Baptismal status.
- d. **RECORD OF BAPTISM:**
 1. For Catholics, a certified copy of your Catholic Baptism (or Profession of Faith) record, issued by the church it was held in is required and must be dated within 6 months of the wedding. Please do not send an original record or photocopy of an original record. A new copy may be obtained by calling or writing the parish where you were baptized (or the Archdiocese for the Military Services if you were baptized in a military chapel). The Chapel and local parishes have a directory with the address and phone number of parishes in the United States
 2. Non-Catholics who have been baptized in another Christian faith should submit a photocopy of their baptismal record, if it is obtainable. A photocopy is sufficient. Please do not send original documents.

- e. **PASTOR'S LETTER:**
You must obtain a letter from your local Catholic Church stating that you are a member of the parish and that the pastor gives his permission for the wedding to take place at the U. S. Coast Guard Memorial Chapel.
- f. **DISPENSATION/PERMISSION:**
When a Catholic intends to marry a non-Catholic, a dispensation/permission must be obtained from the Archdiocese for the Military Services. Forms are available upon request. Please complete all paperwork three months prior to the wedding to allow sufficient time for the Dispensation to be received before the wedding date.
- g. **INFORMATION REGARDING PREVIOUS MARRIAGES:**
1. If either party has been previously married, a church decree of nullity, an annulment decree or death certificate must be presented to the priest/chaplain at the time of your pre-marriage inquiry. **No date for marriage may be set until the annulment process is complete and decree is issued.**
 2. This information must also be presented to your CWC.
- h. **SENSITIVE PASTORAL SITUATIONS:**
1. Certain pastoral situations warrant special care and guidance. Two such situations are:
 - a. Convalidation - this term is used for the marriage procedure where the couple is already in a civil marriage and wishes to have a "Church" wedding, or to have their marriage "blessed."
 - b. Cohabitation - this is the situation of a couple living together that is not married.
 2. We do not discourage couples from working through these problems and from receiving the Sacrament of Marriage. In both cases, extended pastoral counseling is needed, and we encourage couples to seek such assistance from the local priest where they live and practice their faith.
4. **WEDDING PREPARATION BOOKLET**
In order for you to personalize your wedding ceremony, please use the book Together for Life by Joseph M. Champlin. The book is available from the Chaplain's Office at the U.S. Coast Guard Academy. Your readings, prayers, and some of the other options available to you are in this book. Talk over your options with your priest or chaplain. Complete the form in the back of the book and return it to the priest or chaplain no later than 30 days prior to the wedding.
5. **REHEARSALS:**

Please be considerate to your guests, Chapel personnel and wedding party by arriving on time for your rehearsal. We may have multiple rehearsals and weddings scheduled on the same day. If you are late, your rehearsal will be reduced by that amount of time.

- a. Prior to the rehearsal, your CWC will ask you for the names of your parents, bridal party, readers, etc. and anyone else who will participate in your wedding. Please be sure everyone can attend the rehearsal.
- b. Your CWC will conduct the wedding rehearsal. The CWC has the full authority of the Command Chaplain regarding the order of service. If you have a guest clergy officiate, the CWC will have already talked with them about their preferences.
- c. Your rehearsal will be one hour (60 minutes). Please be sure that your wedding party arrives on time.

6. THE WEDDING CEREMONY AND BRIDAL PARTY:

- a. Please be considerate and be on time for your wedding ceremony. We recommend that the Bride and Bridesmaids arrive 15-30 minutes in advance. The Groom should arrive 10-15 minutes in advance and the Ushers should arrive 30-45 minutes in advance.
- b. If you have junior bridesmaids, ushers, ring bearers or flower girls, please have their parents arrive early and stay with them until the wedding is ready to begin.
- c. When ring bearers and/or flower girls proceed down the aisle, they should sit with their parents in the second pew, not with the bridal party in the sanctuary. Parents should be ready to guide them when they reach the front of the church. Following the ceremony, they should fall into line behind the wedding party. One parent may want to exit to the side aisle to meet the child in the vestibule of the church.
- d. Your priest or chaplain will guide you as to the final format for your wedding, such as whether he will perform a full nuptial mass or a simplified Liturgy of the Word and the Exchange of Vows.
- e. For a Wedding without a Mass the format will be:
 - Procession of the Groomsmen and the Bridesmaids
 - Opening Dialogue/Prayer
 - Readings/Homily
 - Exchange of Vows and Rings
 - Music/Unity Candle
 - Lord's Prayer
 - Nuptial Blessing
 - Final Blessing & Dismissal - Recessional

Your CWC will give you full details during the rehearsal.

7. UNITY CANDLE:

You will need to talk with your priest or chaplain ahead of time. It is up to their discretion whether you will be able to have this popular custom as part of your wedding. If they prefer not to do it during the wedding, many couples use the Unity Candle at the reception just prior to the blessing or Best Man's toast.

8. MARRIAGE LICENSE

You must have your Marriage License with you at your rehearsal to be given to the Chapel Wedding Coordinator. If you do not have the license, your wedding will be cancelled (see Section I: Overview for more information).

9. **ADDITIONAL QUESTIONS:**

SECTION V:
PROTESTANT WEDDINGS
Requirements and Policies

1. **INTRODUCTION:**

Congratulations on your upcoming wedding. We look forward to assisting you with the myriad of details required for a Protestant Wedding in the U. S. Coast Guard Memorial Chapel.

For Protestant weddings, our Chapel operates under the guidelines from the Chief of Naval Chaplains and civilly within the jurisdiction of the City of New London, and the State of Connecticut. All religious and civil requirements must be followed.

2. **WHO MAY MARRY YOU:**

You are encouraged to have a minister you know officiate at your wedding. This could be a friend of the family, your home church minister, or a Chaplain. Only clergy in good standing may officiate at weddings at the U. S. Coast Guard Academy Chapel.

You may request an Academy Chaplain to perform your wedding. Navy Chaplains assigned to the Coast Guard Academy will function within the guidelines of their own religious denominations. No Chaplain will be required to provide ministry outside the boundaries of their religious practice, reasons of conscience or religious body restrictions. Each request is considered on a case-to-case basis. Confirmation of the Chapel does not guarantee an Academy Chaplain will be available or willing to perform your wedding.

If you use the Academy Protestant Chaplain, please remember that military chaplains cannot receive a stipend for services. If you would like to make a donation, please contact the Chaplain's Office for information. If you have a guest minister performing your wedding, be sure to check what their policy is.

Because the U. S. Coast Guard Memorial Chapel is a religious facility, no Justice of the Peace may perform weddings in the Memorial Chapel.

3. **PRE-MARRIAGE COUNSELING:**

Most clergy officiates require pre-marital counseling. This must be completed prior to your wedding. Please check with your clergy officiate to determine what type of pre-marriage counseling is best for you.

4. **REHEARSALS:**

Please be considerate to your guests, Chapel personnel and wedding party by arriving on time for your rehearsal. We normally will have multiple rehearsals and weddings scheduled on the same day. If you are late, your rehearsal will be reduced by that amount of time.

- a. Prior to the rehearsal, your Chapel Wedding Coordinator (CWC) will ask you for the names of your parents, bridal party, readers, etc. and anyone else who will participate in your wedding. Please be sure everyone can attend the rehearsal.
- b. Your CWC will conduct the wedding rehearsal. The CWC has the full authority of the Command Chaplain regarding the order of service. If you have a guest clergy officiate, the CWC will have already talked with them about their preferences.
- c. Your rehearsal will be one hour (60 minutes). Please be sure that your wedding party arrives on time

5. THE WEDDING CEREMONY AND BRIDAL PARTY:

- a. Please be considerate and be on time for your wedding ceremony. We recommend that the Bride and Bridesmaids arrive 15-30 minutes in advance. The Groom should arrive 10-15 minutes in advance and the Ushers should arrive 30-45 minutes in advance.
- b. If you have junior bridesmaids, ushers, ring bearers or flower girls, please have their parents arrive early and stay with them until the wedding is ready to begin. When they proceed down the aisle, they should sit with their parents in the second pew, not with the bridal party in the sanctuary. Parents should be ready to guide them when they reach the front of the church. Following the ceremony, they should fall into line behind the wedding party. One parent may want to exit to the side aisle to meet the child in the vestibule of the church.
- c. Your minister or chaplain will guide you as to the final format for your wedding, such as whether they will perform a full worship service or a simple Exchange of Vows and blessing.
- d. A sample Protestant Wedding would be:
 - Procession of the Groomsmen and the Bridesmaids
 - Opening Dialogue/Prayer
 - Readings/Homily
 - Exchange of Vows and Rings
 - Music
 - Lord's Prayer
 - Nuptial Blessing
 - Final Blessing & Dismissal - Recessional

You CWC will give you full details during the rehearsal.

6. UNITY CANDLE:

You will need to talk with your minister or chaplain ahead of time. It is up to their discretion whether you will be able to have this popular custom as part of your wedding. If they prefer not to do it during the wedding, many couples use the Unity Candle at the reception just prior to the blessing or Best Man's toast.

7. MARRIAGE LICENSE

You must have your Marriage License with you at your rehearsal to be given to the Chapel Wedding Coordinator. If you do not have the license, your wedding will be cancelled (see Section I: Overview for more information).

8. **ADDITIONAL QUESTIONS:**
You may direct your questions to either the Chaplain's Office Executive Assistant at 860-444-8480 or your CWC.

SECTION VI:
WEDDINGS OF OTHER RELIGIOUS TRADITIONS
Requirements and Policies

1. **INTRODUCTION:**

Congratulations on your upcoming wedding. We look forward to assisting you with the myriad of details required for a Wedding in the U. S. Coast Guard Memorial Chapel.

Our Chapel operates within the City of New London and the State of Connecticut.

There are many activities you will be required to complete prior to your wedding day. Below is a list of forms and activities you will need to complete under the oversight of the Command Chaplain assigned to the U. S. Coast Guard Academy Chaplain's Office.

2. **WHO MAY MARRY YOU:**

You are encouraged to have a minister, rabbi, or clergy person you know officiate at your wedding. This could be a friend of the family, your home church clergy officiate, or a Chaplain of your faith group. The CWC will contact this individual to verify their credentials for performing a wedding in the Memorial Chapel. Only offiates in good standing may officiate at weddings at the U. S. Coast Guard Academy Chapel.

Because the U. S. Coast Guard Memorial Chapel is a religious facility, no Justice of the Peace may perform weddings in the Memorial Chapel.

If you would like to make a donation, please contact the Chaplain's Office for information.

3. **PRE-MARRIAGE COUNSELING:**

Most clergy officiates will require pre-marital counseling. This must be completed prior to your wedding. Please check with your clergy officiate to determine what type of pre-marriage counseling is best for you.

4. **RELIGIOUS SPECIFIC SYMBOLS AND DECORATIONS:**

Religious specific symbols and decorations are allowed in the Chapel with the approval of the Command Chaplain. For example, for a Jewish wedding you may want to put up a Hoopa. These structures must meet all fire and safety requirements required by the Academy.

All symbols and decorations brought into the Chapel for your wedding must be removed immediately after your ceremony. The chapel is not responsible for property not removed after your wedding. Please advise your CWC of any special decorations or symbols you want to use for approval of the Command Chaplain.
