Swearing-In Day Parking Information

No special parking pass will be required if you plan to drive/park a personal automobile on base to participate in campus events being held from June 24th-25th, but on base parking will be limited and parking passes are required on June 26th; please follow signage and staff directions to off base parking lots reserved for visitors.

- Please download Day One Campus Map: <https://www.uscga.edu/day-one-parking>
- Please have photo identification (ID) for all adult passengers available upon arrival at the security gate; guests over the age of 16 years old arriving without a parent or guardian will be required to present ID. Please refer to the following list of acceptable forms of ID: <http://www.tsa.gov/traveler-information/acceptable-ids>
- The United States Coast Guard Academy complies with the provisions of the REAL ID Act and accordingly will not grant access to individuals presenting driver's licenses or identification cards from non-compliant states/territories unless granted a valid extension. To gain access residents may present a compliant form of identification including a valid passport, military CAC, or TWIC card. For additional information, please visit <https://www.dhs.gov/real-id-enforcement-brief>
- Any vehicle, and its occupants, entering the United States Coast Guard Academy are subject to random security searches by uniformed security officers.
- There will be signage and uniformed personnel directing visitors to several satellite parking lots located off campus. We suggest parking your vehicle upon arrival and remaining on campus for the remainder of the day. Transportation shuttles will be provided from off campus parking lots to Leamy Hall and on base golf carts, with priority seating for elderly and handicapped visitors, will be available for anyone wishing to avoid the hills and longer distance walks. Several lunch options are also available on base, so there is no need to leave campus until after the Swearing-In Ceremony and end of Day One.
- Please drive safely! Connecticut state law prohibits the use of cellular phones while driving and seatbelt use is mandatory. Obey posted speed limits and yield to all pedestrians, especially Swabs marching, in crosswalks or walking on the road. The maximum speed limit on base is 15 miles per hour.
