

## **Rear Admiral (Lower Half) Matt Lake**

### **Assistant Commandant for Resources & Chief Financial Officer U.S. Coast Guard**

RDML Lake currently serves as the Assistant Commandant for Resources and the CFO for the U.S. Coast Guard. He is responsible for all budgetary, financial and resource management activities relating to the programs and operations of the organization with an annual budget of \$13 billion.

RDML Lake has had a mix of operational and field support assignments. These include service on Coast Guard Cutters MIDGETT and NORTHLAND, serving as the Surface Forces Logistics Center's first Product Line Engineering Chief, and later as the Commanding Officer of the Coast Guard Yard.

RDML Lake also served under the DHS CFO, coordinating formulation and justification of DHS' \$65 billion President's Budget Request to Congress. RDML Lake served as the Assistant Program Executive Officer for Surface Acquisitions, where he led the Service's cutter and boat construction and renovation programs at shipyards throughout the United States.

RDML Lake earned a BS in Naval Architecture & Marine Engineering from the U.S. Coast Guard Academy in 1995. He earned MS degrees in both Mechanical Engineering and Naval Architecture & Marine Engineering in 1999 from the University of Michigan. He was selected as a MIT Sloan Fellow, and earned a Master of Business Administration in 2016.
